The Haileybury Society Travel Grant - Application Form

The Haileybury Society annual travel grant is to enable travel to both pupils in the VI form and young OHs. Grants are aimed at independent travel rather than to subsidise attendance on an expedition organised by the College, travel or volunteering with organised 'gap year' companies or for holidays. Grants to pupils may be made to provide either the basis for an IB extended essay, research into an area inspired by A level work, a project in preparation for going to university, and for OHs as part of a degree course or to improve an individual's study of an aspect of culture of their choice.

Continue any answers on a separate sheet if necessary.
